

WebTimeASPä is a new concept in time recording and billing. Based on our successful WebTimeTMS™ products, Romsey Associates are proud to launch an ASP time and billing solution for people who charge time and expenses and wish to have everything done by us. From collecting time and expenses through to invoicing billing and credit control.

From as little as £1 per week per user!

Current Issues:

- ❖ Manual effort required to calculate and raise invoices
- ❖ Effort to analyse revenue streams over a period of time
- ❖ Wasted effort to chase manual timesheets by administrator or secretary
- ❖ Late or historic reporting on time bookings and activities

WebTimeASPä has been designed to remove the hassle from processing timesheets and give you the time to do more productive activities.

Key Features:

- ❖ **No software required** just connect to the WebTimeASP™ website, login and complete your timesheet.
- ❖ Simple, intuitive web interface. Works on virtually any browser.
- ❖ Quick and easy personnel and project/customer creation

- ❖ **Immediate savings** in timesheet processing
- ❖ Flexible and powerful reporting for project/client, staff time and cost
- ❖ **Real time missing timesheet analysis** with email and/or SMS reminders
- ❖ Instant billing for clients when selected users have completed their timesheets.
- ❖ Highly scalable solution from 1 user to 10,000+!

Technical Features:

- ❖ You can download your data directly to your spreadsheets for local analysis.
- ❖ No installation required, we do everything for you.
- ❖ Can be customised and seamlessly linked to your existing website.

Based on our recent surveys, we are currently offering WebTimeASP™ on a 60 day trial basis, because we are confident that once installed you won't want to give it up! Call us now on 0800 074 6892 or email us at sales@webtimetms.com for further details.
