

WebTimeAgentä is a powerful timesheet solution designed for IT Contracting Agencies to revolutionise their timesheet management process. WebTimeAgent™ provides the complete solution from time entry, client authorisation through to customer invoicing.

From as little as £1 per week per user!

Current Issues:

- ❖ Manual effort required to complete timesheets and authorise them by the client
- ❖ Manual effort to calculate and raise detailed invoices
- ❖ Effort to analyse revenue streams over a period of time
- ❖ Wasted effort to chase missing timesheets by administrator or secretary
- ❖ Late or historic reporting on time bookings and activities

WebTimeAgentä has been designed to remove these issues and allow you to more effectively use your time.

Key Features:

- ❖ **No software required** just connect to the WebTimeAgent™ website, login and complete your timesheet.
- ❖ Simple, intuitive web interface. Works on virtually any browser.
- ❖ Quick and easy personnel and client setup

- ❖ **Immediate savings** in timesheet processing
- ❖ Online Authorisation/rejection of timesheets, dispenses with paper timesheets.
- ❖ Flexible and powerful reporting on client and staff billing and costs
- ❖ **Real time missing timesheet analysis** with email and/or SMS reminders
- ❖ Instant billing for clients and billing analysis when selected users have completed their timesheets
- ❖ Highly scalable solution from 1 user to 10,000+!

Technical Features:

- ❖ Integrates simply with your existing back office systems
- ❖ No installation required, we do everything for you.
- ❖ Can be customised and seamlessly linked to your existing website.

Based on our recent surveys, we are currently offering WebTimeAgent™ on a 30 day trial basis, because we are confident that once you use it you won't want to give it up! Call us now on 0800 074 6892 or email us at sales@webtimetms.com for further details.
