

**WebTime Enterpriseä** is the intranet/extranet based time recording solution WebTimeTMS product range. Designed to be installed and managed by the client from large corporates to SME's. You can choose the standard solution or a custom design, which blends seamlessly into your current intranet/extranet.

### **Current Issues:**

- ❖ A lot of manual effort required to chase timesheets
- ❖ Missing timesheets are a major issue
- ❖ Mis-bookings due to bad handwriting and poor user knowledge
- ❖ Manual input by central admin function or secretary
- ❖ Late or historic reporting on time bookings and activities

**WebTime Enterpriseä** will solve all these problems and provide substantial cost savings and qualitative benefits. Managers and staff will have information at their fingertips and in a format that the whole world has come to expect as standard.

### **Key Features:**

- ❖ **Installs within two days** and is totally scalable to any number of employees and locations.
- ❖ Simple, intuitive web interface with no client software to install. Works on virtually any browser.

- ❖ Quick and easy personnel and project creation
- ❖ **Immediate savings** in timesheet processing
- ❖ Flexible and powerful reporting for project, staff time and cost
- ❖ **Real time missing timesheet analysis** with email and/or SMS reminders
- ❖ Integrates quickly with existing accounting, payroll, HR and project management systems. Downloads from and uploads to Microsoft Project.
- ❖ Real time online authorisation / workflow functions with notifications for managers and staff

### **Technical Features:**

- ❖ IIS and SQL Server based, ODBC for other databases available
- ❖ Installation is simple and integrates quickly
- ❖ Following any customisation a fully operational turn key solution is delivered and installed

Based on our recent surveys, we are currently offering WebTime Enterprise™ on a 60 day trial basis, because we are confident that once installed you won't want to give it up! Call us now on 0800 074 6892 or email us at [sales@webtimetms.com](mailto:sales@webtimetms.com) for further details.
